**Agenda**

**1. Declarations of interest**

This refers to pecuniary interest, i.e. if you stand to gain financially from any aspect of the Neighbourhood Plan under discussion you need to declare it.

**2. Minutes of Meeting 11<sup>th</sup> October**

I produced no separate minutes from this meeting as the only matters of significance discussed were the suggested changes to the Plan from ENC which I attach as 'SG response summary sheet'

**3. Website update**

**4. Feedback from meetings with Northants CC/East Northants District C of 12/12, and ENC/Environment Agency 07/12**

**5. Discussion of points raised in formal consultation responses**

This will look at all the remaining responses from villagers and official organisations to our Draft Plan

**6. Comments on current state of Submission Plan (Plan enclosed)**

This is the state of the Plan following the last meeting of the Steering Group and the meeting with ENC on 3<sup>rd</sup> November. The bits in red are my interpretations of extra suggestions from ENC and have not yet been discussed with anyone else, so please consider these. Your comments on any of the changes will be welcome before we present the Plan to the Parish Council.
